Return to school - Monday 2 September 2024

The Education (School Day and School Year) (England) Regulations 1999 (SI 1999 No. 3181) requires schools to have at least 380 half-day sessions (190 days) in each school year, beginning with the first term to start after July. This is consistent with the 195 days a year required by a teacher's statutory conditions of service: the additional five days are for in-service training (known as INSET days).

The governing body of a school is responsible for setting five INSET days out of the school calendar. The school should communicate this information to parents – via such channels as a letter and/or school newsletter and also publish it on the school website. They should also provide this information to their local authority.

- Where schools have more than fifty percent of pupils from a neighbouring local authority (LA) they will be permitted to align their term and holiday dates with that LA
- Voluntary controlled primary schools are permitted to align their dates with the aided secondary school for which they are a named feeder school
