27th April 2021

Dear Parents,

I am absolutely delighted and incredibly excited to let you know that we are planning an educational visit on **Friday 11th June** to Barnstondale Activity Centre, Wirral for our Year 2 pupils accompanied by myself, Mrs Richards, Mrs Howard and our student teacher, Miss Clapton. Barnstondale is a wonderful place which is perfect for Year 2 children to develop their team work skills, resilience, confidence and independence. The centre offers many fantastic experiences including archery, wall climbing, wild wood experiences, sensory garden and team building activities. The activities that we plan to do will be confirmed at a later date; I'm sure you can appreciate the organisation will take a little longer this time round in order to comply with the latest Government Covid guidance.

Our visit will be a full day and we are currently aiming to leave school at around 8.45am in order to arrive at the centre for around 9.45am and we plan to leave the centre at 3.30pm, arriving back at school at around 4.15pm (further details will be sent in due course). We will be having a packed lunch which can be ordered from school if required. Closer to the day, you will be sent a medical and emergency contact form, a lunch ordering form, a list of activities for the day and a list of what your child will need to bring with them.

The price for the day visit is £45.00 which includes the coach, 2 morning activities and 2 afternoon sessions and we are requesting a deposit of £20.00 to secure our booking by 17th May 2021. The remaining £25.00 should be paid by Monday 7th June 2021. Please pay via Parentpay, if you have any issues accessing Parentpay, please contact the school office.

If you have any questions about this visit, please do not hesitate to contact me, preferable via email so I can answer your queries. If you have questions about the payment, please contact the school office. If you would like to explore the centre further, please go to <https://barnstondale.org/>. The children will also be exploring the centre in school nearer the time so they are fully aware of what to expect on the day.

We hope that you too are as equally as excited as we are!

Many thanks

Mrs Louise Mills
